Ch. 2 – Rock made without Hands
Ch. 7 – The eternal Kingdom

There is no 5th kingdom. Daniel is a book of history, not prophesy. It was written during the Maccabean revolt in the 3rd century BC in order to encourage disparate Jews. Some aloof 5th kingdom of God *may* exist along with the others described.

God's church will usher in the Millennial Kingdom. As the church fulfills the Great Commission, the forces of Satan will gradually be defeated and the Kingdom of God will expand until Christ's 2nd coming. Thus, good will triumph over evil.

The 5th Kingdom is that which is characterized by Christ's spiritual reign in the hearts of His believers. There is no literal millennial kingdom, it is entirely symbolic. His work was accomplished at His 1st coming, and consummated at judgment.

The Millennial Kingdom of Jesus Christ upon this earth. It will span a literal 1000 years and will be accomplished after Daniel's 70th week as said in Daniel 9, Matthew 24, and Revelation 19. Also known as dispensational pre-millennialism.
